

## REPORT ON THE UPGRADATION OF THE ICT FACILITIES

There are different digital technology facilities available in the our college. There are 02 smarts classrooms, 02 smarts laboratories (Computer Room, ICT Lab), 01 digitally equipped seminar hall available in the college. The up gradation work of another laboratory (Language lab) is also available in our institution. All the students of the college have access to the computer lab with wi-fy connectivity. There is open access of wi-fy connectivity to all the students and the staff members of the college . All the departments of the college are providing with computers and all the other related accessories. All the teaching staff members use the Information and communication Technology (ICT) in the classrooms and laboratories. The different educational sites are shown to the students with the help of digital devices. Most of the official works are being done with the help of ICT facilities.

## CHILDREN T. T. COLLEGE, DADABARI, KOTA (Raj.) 324009

### 4.3.1 Institution frequently updates its IT facilities including Wi-Fi

There are different digital technological facilities available in the college. There are 02 smart classrooms, 02 smart laboratories (Computer Room, ICT Lab), 01 digitally equipped seminar hall available in the college. The up gradation work of another laboratory (Language lab) is also available in our institution. All the students of the college have access to the computer lab with wi-fi connectivity.. A well equipped computer lab is also functioning in the college. The students of the college are access to the computer lab. The college building and the library building are facilitated with the Wi-Fi connectivity. There is a plan to extend the Wi-Fi connectivity facility to the building open access of Wi-Fi connectivity to all student and the staff members of the college. All the departments of the college are provided with computer and other related accessories. All teaching staff member use the ICT in the classrooms and laboratories, whenever needed. The different educational sites are shown to the students with the help of digital device.

Most of the official work is being done with the help of ICT. The college regularly maintains the IT facilities. Following are some basic facilities for updating:

Computer is formatted in regular basis.

College itself formats the computer without no fees and by the help of computer operator.

Anti-virus is regularly installed in computer. All computer has anti-virus

Wi-Fi connectivity is available as mentioned in 4.1.1, i.e., in Principal chamber, Office-room, IQAC room, various departments including ~~WCA~~ library and laboratories.

CCTV is installed in every classroom.

Website is maintained by Ocean ACS, Kota. College pays a fee for maintains annually.
